

Costume Fees Due by December 15th

All costumes fees are due in full by December 15, 2015. Please understand that the costume companies expect full payment at the time of ordering. Therefore, if fees are not paid by the December 15, 2015 deadline, a costume will not be ordered for your student. If there are extenuating circumstances, we are willing to work it out with you but need to have a conversation prior to the costume deadline. In addition, please note that costume fees do not include dance shoes nor do they include alterations. We make every attempt to order costumes to fit each student. There are always minimal alterations. However, costumes that may need to be returned for an alternate size due to growth spurts, may be subject to return fees.

Holiday Performance

Students are busy putting the last minute details together for our annual Holiday performance. Our sixth Annual Holiday Performance will occur on Sunday December 20, 2015. We will start at Aurora Care at East Aurora and then move to Eden Heights in West Seneca. We will be meeting at Aurora Care at 9:30AM and perform at 10 AM. We will then meet at METTS Dance Studio. METTS will provide the pizza. We are looking for donations of soda and des-

sert. Please let the studio know by Friday if you can donate soda or a dessert. After lunch, we will then proceed to Eden Heights at 12:30 PM to perform at 1 PM. Please ask your student's teacher for costume details. Please check in with Miss Chris or Mr. Darren at each performance for line up details and last minute instructions. We are still looking for homemade Christmas cards that can be given out at each of our performances.

Costume Sizing

Costume sizing will be done in class starting this week. We will be measuring students; chest, waist, hips and girth. In addition, we will be asking parents for the students street clothes size as well as how fast the student grows.

Where possible, students will be given a choice of costumes.

Christmas Holiday

METTS Dance will be closed in observation of the Christmas Holiday from Wednesday December 24, 25, 26, 31 2015 and January 1, 2016. Classes will resume Saturday January 2, 2016. Please let your instructor know by December 19, 2015. If you are not going to be attending your scheduled classed during the holidays. If classes need to be cancelled due to a lack of attendance, we will inform you by December 23, 2015.

We will be holding dance parties in class during the last 15 minutes of class from Thursday December 17 through Wednesday December 23rd. We ask the students limit food treats to those that are nut free. Please let the studio know if there are any other allergies that we need to be aware of. Students will be dancing on party days. As has been in the past, some classes may opt out of parties due to allergies or age of the students. The decision will be made on a per class basis.

Weather Related Closings

Winter is slowly approaching the Buffalo area. While we all prepare, please note that dance will only be closed if there is danger to our families to travel. We will make every attempt to make that call by 3:30 PM and post it to our webpage, facebook page as well as Channels 2 and 4.
